

**Captain Robert H. McConnell
Memorial Scholarship**

There will be 5 students each receiving a \$1000 scholarship. If you are planning to attend a 4-year college, please complete and return to Mrs. Baker no later than Monday, May 3rd.

The purpose of this scholarship fund is to provide an opportunity to students who might otherwise not go to college, or who might select a college based upon the student's financial ability rather than academic ability. It is to compensate for lost opportunity in cases where family tragedy or other misfortune created obstacles to plans for achieving a college education. It is the fundamental belief of the fund's sponsors that any student who expands his or her horizons through education will become a better citizen for having the experience. The scholarship is limited to students enrolling in, and intending to complete, four-year degree programs at accredited colleges and universities. Five one thousand-dollar scholarships will be awarded.

Application

Student name _____

Address _____

Name of intended 4-year college _____

Intended major of study _____

On the back of this sheet, please write a personal statement of 250 words or less explaining the candidate's future plans and how this scholarship will aid in this quest. Criteria should include academic performance, leadership, citizenship, defined career goals, financial need, and any other information you feel relative to the purpose of this scholarship.
