

# St. Vincent College Wimmer Scholarship Competition

## Description

---

Saint Vincent College established the Wimmer Scholarship Program to give recognition and substantial financial awards to high school seniors who have achieved academic success as evidenced by a grade-point-average of at least 3.5 or higher. It is expected that these students will also embody the well-rounded approach to life that Saint Vincent College seeks to further develop in its students.

The competition offers a top prize of a full tuition, room and board scholarship. Second through fifth place winners receive a full tuition scholarship. The competition is comprised of an exam that includes subject matter in English, Mathematics and general knowledge. Prospective students must complete the exam on campus in a set period of time
