

Student-View Scholarship program

Description

Scholarship available by random drawing from the pool of entrants who respond to an online survey from Student Insights marketing organization. Parental permission to participate required for applicants under age 18.

Donor / Sponsor

Student Insights

The organization helps high school seniors share their opinions with colleges, universities, and career schools. High school seniors complete a brief online survey of their awareness and perception of local colleges. This information is shared with colleges to help them better understand how they are viewed by students.
