

**Victor Buchinsky
Memorial Scholarship**

There will be a \$500 scholarship given in memory of Victor Buchinsky. If you are planning to attend a 4-year, 2-year, community or technical school, please complete and return to Mrs. Baker no later than Monday, May 3rd.

The purpose of this scholarship fund is to provide a student an opportunity to further their education. Victor truly enjoyed SMHS's industrial technology classes with Mr. Delvecchio, therefore students intending to further their educational career in drafting, engineering, industrial arts or related field will be given special consideration toward determining a scholarship candidate. The scholarship is limited to students enrolling in, and intending to complete, four-year, two-year, community or technical degree programs.
