

## Words to Be Heard Scholarship

### Description

---

Edgar Snyder & Associates will offer a \$2,500 scholarship to a graduating high school senior in your area through our 4th Annual "Words to be Heard" essay contest. We will also choose a 2<sup>nd</sup> place winner to receive \$1,000, and 3 runners-up who will receive scholarships of \$500.

School-based alcohol prevention programs are very important to help prevent underage drinking and drunk driving. That is why we are asking high school seniors to write a 1,000-word proposal for a school-based program that they think would effectively teach pre-teens and teenagers about alcohol-related consequences. We believe that teenagers would know best what programs would work to help discourage underage drinking and drunk driving among their peers.
