

Community Service

Pennies for Patients

Since 1992, millions of dollars have been raised in pennies and other spare change by more than 10 million elementary, middle and high school students throughout the country. The funds, collected during a three-week period, benefit The Leukemia & Lymphoma Society. SMHS is a proud participant in this annual worthwhile event. Visit the Leukemia and Lymphoma Society's website for more information about how you can help.

Treasures for Children

The Indiana Gazette and the Salvation Army sponsor this program to assist less fortunate families in our community during the holiday season. SMHS students and staff generously donate every year to fulfill the wishes of several children and seniors in our area.
